March 17, 2020

Hello Bulldog Family,

This is an update about the upcoming meal service being provided for our community's children during the COVID-19 school shutdown. We hope and trust our community is doing as well as can be expected during this challenging time.

Starting March 23rd, our plan is to serve breakfast from 8:00 - 9:00 am and lunch from 11:00 am - 12:30 pm. Breakfast and Lunch traffic will enter through the east SMS parking lot by the SMS gym, then routed west along the SMS track. Vehicles will be directed through the double gates and to the back of the SMS cafeteria. Sodexo personnel will be ready to hand out boxed or sack lunches based on the number of children needing meals for that car. For safety, please keep children in the car. We must keep the traffic flowing out toward 8th avenue and all lunch receiving traffic will be required to exit northbound on 8th avenue. We also plan to send a bus out to Thunderbird Mobile Home park from 11:30-12:00 to distribute meals as well.

In addition, please know that our instructional staff and administration are working on various scenarios in case this temporary state directed shutdown continues past March 27th. Please tune into [www.saffordusd.com](http://www.saffordusd.com) for continued updates.

Let's be vigilant in our commitment to following our local, state, and federal health departments guidance and take care of each other. We will make it through this temporary challenge. We are Bulldogs and we've proven many times before we are strong and able!

Sincerely,

A.J. Taylor  
Director of Instructional Services
