

SUSD Facility Use

In light of the current health pandemic numbers and guidelines set forth by state and local health departments, Safford Unified School District is not entering into any athletic club facility use agreements at this time. We are sorry for this inconvenience, we love to support our local club athletics, and we look forward to when we can open up our facilities to community use. We will review this decision on an ongoing basis and consider facility use agreements when we feel it is safe to do so.
