

## Safford High School's Learning Options for 2020-2021

Safford High School understands the importance of providing multiple learning opportunities for our students and families during these uncertain times. SHS will follow all state and federal guidelines to the best of our ability in regards to Covid-19 pandemic procedures. Currently we are not allowed to be in the school building before August 17 and will therefore be utilizing distance learning in ALL options. This may change and we will keep you informed as we get information. We have been on a Modified 5-Day schedule for the last 4 years where Fridays are utilized as tutoring and remediation. We will continue with this schedule in the upcoming 2020-2021 school year and provide the following three options for learning.

Option 1	Option 2	Option 3
<b>SHS</b>	<b>Hybrid/Blended Learning</b>	<b>SHS HDPA</b>
<i><b>Ideal for families that are ready to come back to school full time</b></i>	<i><b>Ideal for families who aren't quite ready to return full time and need shorter times of at home learning</b></i>	<i><b>Ideal for independent, self-motivated learners that are ready to stay at home full time</b></i>
